2. The Records Management Division of the Management Staff will then be responsible solely for staff supervision. This means to insure by observation physically, and statistically, if desirable, that the technical features of this operation conform to Agency policy and Federal legislation as applicable.

3. It will follow from the above that in the preparation of the annual budget for this operation at [REDACTED], concurrence must be secured from the Chief, Management Staff in order that policy and technical responsibilities are taken into proper account. Also, the overall responsibility for delivery of this material from [REDACTED] to a requesting Agency component rests with the Logistics Office until [REDACTED] is in a position to assume this function.
